Method and Apparatus for Powered Interactive Physical Displays

Applicant: LINDEN, CRAIG L.

Attention: E. Rollins-Cross, Director, Technology Center 3700

I received your June 9, 2004 letter granting my latest petition regarding a Notice of Abandonment. Among other ideas, you suggested I take steps to institute a system to make sure the problem does not happen again.

I hereby request and agree to pay the USPTO to send all Office Actions and other important correspondence via USPS Signed Receipt Requested Certified mail. This will insure that I sign for all future mail from the Patent Office.

Please let me know what I can do to assist in the implementation of the above.

Respectfully yours,

Craig L. Linden
